...Therefore, whosoever heareth these sayings. . .and doeth them, I will liken (them) unto a wise (person), who built their house upon a rock. And the rain descended and the floods came, and the winds blew and berate upon that house, and it fell not, for it was founded

upon a rock. Matthew 7:24-25

### **The Nine Elements of Truth**

1. There is a First cause. Whether we call it God, Universal Force, Divine Mind, The Creator, or by any other name, it is the same First Cause. Call it The Creator.
2. This creator has an intelligence which operates through order and principle.
3. This intelligence through order and principle is all powerful, all knowing, and everywhere at once.
4. This intelligence operating through order and principle is the power of truth, which is whole and complete, encompassing the positive and the negative of all things— the good, the bad, life and death.
5. Everything created in the universe embodies this power of truth, through intelligence, order and principle, in accord with its nature.
6. Humankind was created in the nature and image of The Creator, and endowed with certain inalienable rights and powers by this Creator.
7. These rights and powers of humankind are maximized when they are congruent and harmonic with the power of truth as established by The Creator.
8. The Universal Laws of Success are an integral part of the power of truth which guides humankind to a harmonic relationship with the universe and The Creator
9. When these elements of truth are studied, practiced, internalized, and mastered, you will know the truth and you will be free.
